GRADUATES' COMMENCEMENT DECLARATION

"We, the graduates of Far Rockaway High School, grateful to our city, state and nation for the opportunity we have had to grow and develop as free citizens in a free society,

"Declare our devotion to the traditions and ideals that have brought greatness and expanding freedom to the citizens of our country. We pledge ourselves to support and uphold the Constitutions and laws of our city, state, and Nation and to strive constantly for the kind of community in which all men can live and work in peace, freedom, dignity, and security.

"Having learned, in our schools, the meaning of our democratic heritage, the lessons of intelligent compassion, and the varied contributions that our diverse peoples have made to the spiritual, cultural, and material life of the city, we pledge our active support to those institutions and individuals dedicated to providing for every child in our city the best, richest and fullest education.

"We further resolve to do everything within our power to make this city a more beautiful, happier, and more inspiring place for all its citizens."
